Carmelia,

You have a good start to this paper. Be sure to have a clear, arguable thesis that directly addresses the prompt. As you move forward, be sure to organize your thoughts even more than they are organized here. To improve:

1. Be sure each paragraph needs a topic sentence that offers an idea related to the thesis.
2. Review body paragraphs to ensure they are cohesive.
3. Work on smooth incorporation of secondary reference material.

See my inline comments for more details, and be sure to review the sample assignment as well. I look forward to seeing this project develop.
